

IEEE SB NBKRIST 2024-2025

Event report

Event Name	: Java Spring
Conducted On	: 24 st oct 2024
Venue	: CSE conference block
Event Organized By	: 4th year IEEE members
No of participants	:140

Description:

The JavaSpring Workshop at NBKRIST, organized by the IEEE Student Branch, was a hands-on, one-day event designed to introduce students to Java Spring, a popular framework used in the development of enterprise-level applications. The workshop aimed to provide participants with foundational knowledge in Java Spring, guiding them through the principles and techniques required to build dynamic and scalable applications.

The event commenced with a prayer song led by Charishma from AI&DS, setting a positive and energetic tone for the day. The workshop was hosted by Md. Umar and Tejaswini, who ensured a smooth flow throughout the sessions, making the experience enjoyable for everyone involved.

Key Concepts Covered:

- **Introduction to Java Spring:** Fundamentals of the framework, its architecture, and the advantages it brings to application development.
- **Dependency Injection and Inversion of Control (IoC):** Essential principles that enable efficient management of object dependencies in Java Spring.
- **Spring MVC Framework:** Overview of the Model-View-Controller framework and its role in developing web applications.
- **Hands-On Project Development:** Participants engaged in building a basic application, learning to integrate different Spring modules and utilizing Spring Boot.

Practical Project:

Led by **Sabari Sir**, an experienced mentor, participants worked on a hands-on project, developing a simple web application that included user forms, data processing, and backend operations. This hands-on experience allowed students to apply their learning practically, gaining confidence in using Java Spring for their own projects.

Attendees:

Conclusion:

The JavaSpring Workshop was a memorable and valuable experience, equipping students with essential skills in Java Spring. The event received positive feedback from attendees, who appreciated the interactive format and practical insights. IEEE SB NBKRIST extends its gratitude to **Sabari Sir** for his expert guidance, to the distinguished guests for their encouragement, and to **Dinesh** for his commitment to peer learning.

The IEEE Student Branch at NBKRIST looks forward to organizing more impactful workshops that inspire technical growth, practical learning, and peer collaboration.
